

We can now do replacement coded ECU's for many vehicles including UK models Mokka , Insignia, Corsa Adam and Astra. We also do American models such as Pontiac, Aveo etc etc

If your ECU part number matches any on the list below we can do it. Just send the faulty unit to us and we return a replacement unit – Fully Coded – NO CODING REQUIRED. Please find the current updated list as below, if yours is not there contact us anyway we can probably do it.
